Marriage Regulations for Non-Aruban Citizens

As of January 2002, Civil marriages are possible in Aruba. Couples can still arrange religious wedding ceremonies after they have been legally married either civilly in Aruba or by a civil authority such as a Justice of Peace or a Municipal Judge in their home State. Should the couple choose to be married civilly in their home State, they must bring their Marriage Certificate with them and the proper Aruban officials must be informed in advance. The following are the guidelines for the various ceremonies.

Civil Ceremonies (Us & UK citizens)

1. Couple must obtain a document from the Bureau of Vital Statistics or Civil Registry from their home State as proof that by their records they are both presently unmarried and are therefore free to be married to each other.
2. Each person must submit copies of their birth certificate with a raised seal. The local civil authorities will keep these copies.
3. Items 1 and 2 must be taken to the office of the Secretary of State of your home State for an “Apostil” seal that verifies the signatures on these documents.
4. If either party has been divorced they must submit a copy of their decree nisi.
5. If either party has been widowed, they must submit a copy of the death certificate.
6. Couple must be holders of valid passports and submit with their application, copies of the pages showing all relevant details.
7. Copies of the passport pages of their witnesses must also be submitted (if couple does not have any witnesses, we will provide them at an additional fee).

8. All documents must be submitted by courier (i.e. FedEx) at least one (1) month prior to desired wedding date.
9. Couples must submit a “letter of Intent”. The local civil authorities will supply this document to you.

Civil Ceremonies (Canadian citizens)

1. Couple must obtain a “letter of non-impediment” – a document from the Government agency (Ministry of Consumer and Business Services) from their home province/country that records marriages as proof that by their records they are both presently unmarried and are therefore free to be married to each other.
2. Each person must submit a certified copy of his and her birth certificate. Please take the mini-laminated copies of your birth certificates to a notary public to be photocopied and stamped by him as a legal document and also attach a sworn letter stating the names of your birth parents.
3. Once you have obtained the documents listed in numbers 1 and 2, client must send them to the Ministry of Foreign Affairs in Ottawa for verification that the signatures attached to these documents are indeed legal allowed to do so and then to the nearest Dutch Consulate for further verification.
4. Couples must submit a “Letter of Intent”. The local civil authorities will supply this document to you.
5. If either party has been divorced they must submit a copy of their decree nisi (final decree) only.
6. If either party has been widowed, they must submit a copy of the death certificate.
7. Couple must be holders of valid passports and submit with their application, copies of the pages showing all relevant details.
8. Copies of the passport pages of their witnesses must also be submitted (if couple does not have any witnesses, we will provide them at an additional fee)

All documents must be submitted by courier (i.e. FedEx) at least one (1) month prior to desired wedding date.
